

Dear Parents and Carers,

What a lot of fun we have had celebrating birthdays this week! The children have been busy writing invitations, designing birthday cards, wrapping presents and making cakes. We have explored the number 1, and we know that it is one more than zero but 1 less than next weeks

number. The children have all impressed us with their writing efforts, and most are remembering how to form their Kinetic Letters by using the rhyme to help them start and end in the correct place.

Next week, we will be celebrating World Nursery Rhyme week.

What's the Occasion?

Thank you to parents that have come into school to talk about celebrations from different parts of the world.

Please let us know if you would like to come in and share your families' experiences.

Show and Tell Friday 22nd

For next week's Show and Tell, we would like your child to tell us their favourite Nursery Rhyme. They could draw a picture of it or recite it if they are able to.

The Early Years staff enjoy hearing your comments and insights into what your child is doing at home and outside of school. Tapestry is a useful tool for staff and parents to share in celebrating your child's achievements.

We noticed that only a few children took part in the challenge last week, so we are extending it for another week.

Are you up for a ...Tapestry Challenge?

Ask your child to choose a strange place to read a book and take a photograph of them – upload it to Tapestry, so we can share them at school!

Important Notices

- Calling EYC parents and any EYP parents who have not signed up for the class WhatsApp group, please contact our class reps Mrs Aarti Mohan or Dr. Imogen Goold respectively.
- To clear up any misunderstanding – please do not send your children into school with only wellington boots and no other footwear. We have had instances of children wearing only their wellies - apart from not being suitable to use on the climbing equipment this also creates a mess on our carpets and rugs.
- We would ask that you do not allow your child to bring their **own toys into school**. We can not guarantee they will return home in the same condition.
- Again, please do not allow your child to bring jewellery into school. Necklaces especially pose a safety risk to your child and other children.
- **EYFS will be attending Celebration Assembly on a Friday morning at 9.00am. Please try to ensure your child is in school and ready for registration at 8.55am. We aim to be in the hall promptly at 9.00am**

Library

We have had a few children unable to take out new library books because our system is showing that they still have outstanding books at home. Please can you check that all books have all been returned. Thank you.

Diary dates:

Wednesday 11th December 9.20am & Thursday 12th December 2.15pm – EYFS Nativity

Have a lovely weekend,

The Foundation Stage Team.
